

How can I find materials?

With the University of Tokyo OPAC, you can search for books and journals held by the University of Tokyo.

<https://opac.dl.itc.u-tokyo.ac.jp/>

*Journals held for short-term and doctoral dissertations are not cataloged in OPAC.

Doctoral dissertations of the Graduate School of Pharmaceutical Sciences are listed on the website of the Pharmaceutical Sciences Library.

<http://www.lib.f.u-tokyo.ac.jp/zosho/gakuirobun/>

With TREE (UTokyo Resource Explorer), you can search for printed materials and electronic copies, as well as books and articles without being aware that you are using different databases.

<http://tokyo.summon.serialssolutions.com/>

Please ask a librarian when you cannot find the material in the University of Tokyo.

Manners in the library

- Treat books, journals, computers, photocopiers and other materials carefully.
- Smoking and eating is strictly forbidden inside the library.
- Only sealed containers such as plastic bottles may be brought in and drink at the reading seats. You can eat in the lounge on the 1F.
- Do not leave any valuables and personal belongings unattended.

-----------	--

Photocopying

You can photocopy library materials within the limits provided by the Japanese copyright law. When you copy materials, please fill in the form placed by the copy machines.

Materials in the Stack

Doctoral dissertations or materials with "4F書庫" or "5F保存書庫" stated on the "Comment" column of the OPAC search results, are stored in the closed stack. Please order them at the service counter when you wish to use them.

Service Hours: 9 : 00 - 12 : 00, 12 : 45 - 16 : 30

Yakushigaku Bunko (薬史学文庫)

The materials donated by the Japanese Society for History of Pharmacy are located in the closed stack, also. They are not cataloged in OPAC, but listed on the website of the Pharmaceutical Sciences Library.

E-Resource (UTokyo members only)

Various databases ("Web of Science Core Collection", SciFinder, etc.) and many e-journals or e-books are available. Please search for e-journals or e-books using the "E-Journal Portal" and not OPAC.

Also, various information on e-resource is included in GACoS.

Wireless-LAN (UTokyo members only)

"utroam", the University-wide wireless LAN system, is available on the 3F. Members of UTokyo can connect their own PC to the internet.

UTokyo Account and "utroam" Account are required for using the wireless-LAN.

Services for members of the Grad. Sch. of Pharm. Sci. & Fac. of Pharm.

Using other Libraries of UTokyo

Please check the user guide for each library before visiting the other libraries of UTokyo.

<http://www.lib.u-tokyo.ac.jp/koho/guide/liblist-e.html>

You can request books, photocopies or PDF files from libraries in the other campuses.

Request Copies or PDF (Chargeable service)	Please order via MyOPAC. When you can not order from Hongo Campus, please visit the library holding the materials directly. *When you use the university expense at the visiting library, please obtain an "application for photocopying" at our service counter first.
Request delivery of books (Free)	Please order via MyOPAC. You can order books from Komaba Campus/Kashiwa Campus/Shirokanedai Campus/Yayoi Area.

Chargeable services require additional registration at our library in advance.

Using other University's Libraries

Sometimes letters of introduction are required when visiting another university's library. In such cases, our library will issue one. The issue of a letter of introduction will take a few days.

You can request copies or delivery of books not held in UTokyo. (Paid service) Please order via MyOPAC.

Requesting Purchase of Books

You can make a request for the library to purchase of a book which is not held in our library. Please request via MyOPAC. (Books only)

*There are cases that our library can not purchase due to budget etc.

Using the Medical Library

You can use the Multimedia Corner, Wireless LAN, Group Study Room etc. of the Medical Library. Please ask the Medical Library for details.
